Constitutional Amendments

- **AMENDMENT 2: RAISING FLORIDA'S MINIMUM WAGE to \$15/Hour.**
- Ballot Summary: Raises minimum wage to \$10.00 per hour effective September 30th, 2021. Each September 30th thereafter, minimum wage shall increase by \$1.00 per hour until the minimum wage reaches \$15.00 per hour on September 30th, 2026. From that point forward, future minimum wage increases shall revert to being adjusted annually for inflation starting September 30th, 2027.
- Proponent: Florida For a Fair Wage – John Morgan of Morgan & Morgan
 - **ABC Position: OPPOSE**
 - **Reasoning:** ABC believes strongly in market-based principles and less government overreach. Our current market, even during a pandemic, remains healthy and many of our members are already offering above \$15/hour starting salaries. Therefore, the market has done what it is meant to do. We do not need to amend our State Constitution with an arbitrary wage rate that may not be reflective of the current economy.
- **AMENDMENT 3: All Voters Vote in a Primary Elections for State Legislature, Governor and Cabinet**
- Ballot Summary: Allows all registered voters to vote in primaries for state legislature, governor, and cabinet regardless of political party affiliation. All candidates for an office, including party nominated candidates, appear on the same primary ballot. Two highest vote getters advance to general election. If only two candidates qualify, no primary is held and winner is determined in general election. Candidate's party affiliation may appear on ballot as provided by law. Effective January 1, 2024.
- Proponent: All Voters Vote, Inc.
 - **ABC Position: OPPOSE**
 - **Reasoning:** this process would eliminate any roll of political parties. While at first glance, that may sound like a positive given the current state of politics, the actual impact of the process would be to allow money to buy seats. The two individuals with the most money behind them, no matter where it comes from, no matter their ideals or philosophies, will end up in a run-off. This scenario results in less transparency, predictability or accountability.
 - **Other Opponents:** Democratic Party of Florida, Republican Party of Florida, Florida Chamber of Commerce
