Constitutional Amendments:

Vote NO on Amendment 2:

This would establish a mandatory minimum wage of \$15/Hour in Florida's Constitution. We believe the Free Market should dictate wage rates and not an arbitrary process.

Vote NO on Amendment 3:

This would create an open primary election system in Florida which would result in candidates with the most money making it to the General Election. It eliminates affiliations with Democratic or Republican parties and would also allow for races to be bought. This effort is opposed by BOTH the Democratic and Republican Parties of Florida as well as the Florida Chamber of Commerce.
