Constitutional Amendments

Vote NO on Amendment 2: This would establish a mandatory \$15/Hr minimum wage rate for Florida in the State's Constitution. The Free Market should dictate appropriate wage rates, not arbitrary efforts.

Vote NO on Amendment 3: This would establish open primaries in Florida's primaries. This would also create a scenario where candidates with the most money make it to the General election, not necessarily those who are best qualified. This effort is opposed by both the Democratic and Republican Parties of Florida as well as the Florida Chamber of Commerce.

This card is paid for by Associated Builders & Contractors, Florida East Coast Chapter Political Committee and is not authorized by any candidate's committee.
